What makes us the **BEST** is our **quality** vendors with **quality** merchandise! Plus look around and at almost every event in the Northeast and Daytona you see the AMJAM Family telling others about the **Classiest & BEST** Event in the Northeast - **AM-JAM 2009**. In the last few years we have grown back to the top and we intend to stay there. We have been busy this year making improvements to the event and we are sure you will find them to the vendor's advantage.

BIG CHANGE THIS YEAR!!! We are changing our **DAYS!!!**
Gates will OPEN to the public at 6pm FRIDAY & CLOSE on MONDAY

This year is all about the working man and the veteran! Can't take Friday off and get paid for Monday? AMJAM understands and we are changing our days so bikers can enjoy the whole weekend!

Games will be on Saturday & Sunday –

Lady Legs on Saturday and Wet T on Sunday! Veterans will be given up front seating for the "BABE" Contests.

Note new times - **Official SET-UP** will be **FRIDAY 10:00 AM to 4:00 PM**

\$20.00 DAY PASS will be available for SATURDAY and /or SUNDAY. The day pass has been so successful why not try it for both weekend days!

TATTOO Competitions with expanded categories

We are pleased to announce the "*Mobile Dyno*" and Mobile garage will be joining us this year. Check them out at www.cyclesolutionsonline.com

And to keep the crowd interested we are pleased to bring the "**Freestyle Extreme Riders**" shows!

Also EIGHT GREAT BIKER BANDS with the songs we want to hear!!!

ABSOLUTELY NO DOGS!!! No exceptions!

This has gotten way out of hand and presents not only a health problem but a security problem, and I am sure you understand that by letting in a cute little fluffy puppy makes the guy next to you "need" his rottie.

CHANGED TRAFFIC PATTERNS

When you arrive on the grounds, **PLEASE** stay to the left of the entrance and stop **BEFORE** the first buildings. You will be banded at this time and someone will show you to your spot. Have your vendor passes, helper passes, etc. ready so we can move everyone to their place quickly.

NEW ADVERTISING

We have hired a advertising specialist to teach us how to best get our word out to everyone. Not only are we hitting all the major events in the country and being included in many mailings but also we are utilizing the Internet and EBAY. Plus this year we will be showing a "**PROFESSIONAL**" video at all shows we attend.

We are looking forward to a fantastic year and know you will appreciate all the improvements. If you have any questions or concerns from past years, please call Jeannie at 518-893-2273 OR Patti at 518-356-1594
